ORDER FOR TRANSFERRED MAN TO REPORT FOR INDUCTION

TO Joe (First name) Louis (Middle name) Barrow (Last name)

Order No. 373 Tr.

GREETING:

Tr. from L.B.# 84
309 E. 47th St.,
Chicago, Ill.

Having heretofore been ordered to report for induction by your own Local Board and having been, upon your own request, transferred to this Local Board for delivery to an induction station, you will report to the Local Board named above at 331 Madison Ave., N.Y.C. (Place of reporting) at 8 a. (Hour of reporting) m., on the fourteenth day of January, 1942.

The Local Board to which you have been transferred will furnish transportation to an induction station of the service for which you have been selected. You will there be examined and, if accepted for training and service, you will then be inducted into the stated branch of the service.

Persons reporting to the induction station in some instances may be rejected for physical or other reasons. It is well to keep this in mind in arranging your affairs, to prevent any undue hardship if you are rejected at the induction station. If you are employed, you should advise your employer of this notice and of the possibility that you may not be accepted at the induction station. Your employer can then be prepared to replace you if you are accepted, or to continue your employment if you are rejected.

If you are not accepted, you will be furnished transportation to the place where you were living when ordered to report for induction by this Local Board.

Willful failure to report promptly to this Local Board at the hour and on the day named in this notice is a violation of the Selective Training and Service Act of 1940 and subjects the violator to fine and imprisonment. Bring with you sufficient clothing for 3 days.

You must keep this form and bring it with you when you report to the Local Board.

Member of Local Board of Transfer.

To: Commanding General, Air Transport Command, Army Air Forces,
Washington, D. C.

This matter has been given careful consideration and it is regretted that this authority cannot be granted. Because of the many requests for Sergeant Barrow's participation in various ceremonies, it has been found necessary to issue instructions that he will perform the ordinary duties of his assignment and that he will not be placed on detached service nor his services utilized as a nationally prominent figure.
