# INSTRUCTIONS

**1. Information needed to locate records.** Certain identifying information is necessary to determine the location of an individual's record of military service. Please give careful consideration to and answer each item on this form. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available." Include as much of the requested information as you can. This will help us to give you the best possible service.

**2. Charges for service.** A nominal fee is charged for certain types of service. In most instances service fees cannot be determined in advance. If your request involves a service fee you will be notified as soon as that determination is made.

**3. Restrictions on release of information.** Information from records of military personnel is released subject to restrictions imposed by the military departments consistent with the provisions of the Freedom of Information Act of 1967 (as amended in 1974) and the Privacy Act of 1974. A service person has access to almost any information contained in his own record. The next of kin, if the veteran is deceased, and Federal officers for official purposes, are authorized to receive information from a military service or medical record only as specified in the above cited Acts. Other requesters must have the release authorization, in item 5 of the form, signed by the veteran or, if deceased, by the next of kin. Employers

and others needing proof of military service are expected to accept the information shown on documents issued by the Armed Forces at the time a service person is separated.

**4. Location of military personnel records.** The various categories of military personnel records are described in the chart below. For each category there is a code number which indicates the address at the bottom of the page to which this request should be sent. For each military service there is a note explaining approximately how long the records are held by the military service before they are transferred to the National Personnel Records Center, St. Louis. Please read these notes carefully and make sure you send your inquiry to the right address. Please note especially that the record is not sent to the National Personnel Records Center as long as the person retains any sort of reserve obligation, whether drilling or non-drilling.

*(If the person has two or more periods of service within the same branch, send your request to the office having the record for the last period of service.)*

Re: *Dillinger John H.* 2910676

THE REPLY TO THE INQUIRY WILL BE FOUND IN THE CHECKED ITEM(S). IF YOU WRITE TO US AGAIN ON THIS SUBJECT, PLEASE RETURN YOUR ORIGINAL REQUEST AND THIS FORM.

Copies of requested military  personnel  medical records are attached.

PLEASE GUARD THE ATTACHED DOCUMENTS CAREFULLY AGAINST LOSS OR DAMAGE. WE SUGGEST YOU MAKE COPIES. WE REGRET IF ANY OF THE ATTACHED PHOTOCOPIES MAY BE OF POOR QUALITY, BUT THEY ARE THE BEST COPIES OBTAINABLE.

The attached separation document may include the following information: authority for separation, reason for separation, reenlistment eligibility code, and separation (SPN/SPD) code. If you require a copy of the separation document that does not contain the above information, you may request a deleted copy from this Center.

The Privacy Act of 1974 does not permit the release of social security numbers or other personal identifiers to the public without the authorization of the veteran concerned. Therefore, personal identifying data as they relate to other persons have been deleted from the attached documents.

There is a question as to the releasability of the information requested. The Freedom of Information Act requires that in such cases the request be directed to the proper official of the agency having legal custody of the records. This Center has only physical custody of military personnel and medical records. Legal custody, as well as control of access, is retained by the branch of service which originated the records.

On \_\_\_\_\_ this Center received your request under the Freedom of Information Act. We find that the pertinent record is not available as it has not yet been transferred to this Center / has been loaned to the originating agency.

Therefore, we have forwarded your request to the address checked below. Send any further correspondence there.

Therefore, you should address your request to the address checked below.

A response to the portion of your request about which there is no question of releasability is enclosed.

The medical records you request / the documents you request pertaining to discharge have been lent to the Veterans Administration and copies may be obtained from the VA office shown below. Refer to claim number \_\_\_\_\_

Your request indicates that you are planning to file a claim with the Veterans Administration. The VA uses original medical records not photocopies, to process claims, and the VA already has your medical records. Nevertheless, if you still would like to have photocopies for your own use, please request them from the VA office shown below.

Issuance of medals / awards is a function reserved by the individual service departments. Therefore, that portion of your request seeking medals / awards has been referred to the office shown below, and further correspondence on this subject, if any, should be addressed to that office.

THE MILITARY RECORD NEEDED TO ANSWER THIS INQUIRY IS NOT IN OUR FILES. IF THE RECORD WERE HERE ON JULY 12, 1973, IT WOULD HAVE BEEN IN THE AREA THAT SUFFERED THE MOST DAMAGE IN THE FIRE HERE ON THAT DATE AND MAY HAVE BEEN DESTROYED. WE REGRET THAT WE CANNOT BE OF ASSISTANCE IN THIS MATTER.
