INSTRUCTIONS

(See Instruction 8)

- 1. Final statement will be given as follows.—Final statement, properly certified to by his immediate commander, will be given to every soldier upon his discharge from active service (except as otherwise prescribed by Army Regulations) or upon retirement, and will be presented to the finance officer for the pay due him. The payment made will be noted on the discharge certificate of every discharged soldier except when the final statement has been transferred.
- 2. Letter of notification.—Notification of discharge will be furnished only in case of an enlisted man who is discharged from active service at a place at which there is available no officer provided with funds to make payment on final statements. In these cases the officer who prepares the final statement will, at least one week before the discharge takes effect, send by mail to the finance officer who is to pay the account a notification of discharge, stating therein, in his own handwriting, the date of last payment to the soldier, and his credits and debits, both in words and figures, and other data essential for proper payment or identification. The officer will require the soldier to affix his signature to the notification, or if he can not write his name such fact will be stated thereon. (See A. R. 345-465.)

Blank forms for this notification will be supplied by The Adjutant General of the Army. The officer issuing the final statement will inform the soldier of the location of the finance officer to whom he shall apply for payment.

- 3. Responsibility of certifying officer.—Officers signing and certifying to the correctness of final statements will be held responsible for their accurate preparation and also for disregard of plain instructions as made known through Army Regulations, orders, and notes on the blank forms. Officers responsible for overpayment on erroneous final statements will be required to refund the amounts overpaid if it is found impracticable to make collection from the party overpaid.
- 4. Money amounts to be written in words and figures.—Money amounts, in all cases, except in the case of the "List of Deposits" on the outer last fold will be written out in full, the writing to commence close to printed matter on left-hand side, and also expressed in figures,

INSTRUCTIONS-CONTINUED

- 5. Trarel allowances.—Enlisted men of the Regular Army when entitled to travel allowances upon discharge from active service are entitled to same from place of discharge to place of acceptance for enlistment, regardless of place at which actually enlisted. The place of actual enlistment, if different from the place of acceptance, will in no case be considered in determining the travel allowances due.
- 6. Additional pay.—In the space for additional pay notation will be made of the pay due soldier for distinguished service awards, for special qualification in the use of arms, etc.
- qualification in the use of arms, etc.

 7. Notation of stoppages.—Under the heading "Due United States" will be noted all authorized stoppages for loss of or damage to Government property or supplies, the stoppages being made under the proper headings, e.g., "Clothing," "C & E," "RS," "Transportation," "Ordnance," etc., the names of the articles damaged, lost, or destroyed not being stated; amounts due on account of allotments, post exchange post laundry, tailor, company fund, or transportation; and stoppages under sentence of a court-martial, showing nature and date of court-martial or date of order approving sentence, and the forfeiture as expressed in the sentence, e.g., "To forfeit \$10 per mo. for 2 mos. SC Jan. b/25." If any part of the forfeiture has been deducted, the amount and pay roll on which deducted will be stated. For further information see instructions and model remarks for preparation of pay rolls.
- s. Transfer of final statement.—The transfer by an enlisted man of a claim for pay due on his final statement will be recognized only when made after discharge from active service, in writing, indorsed on the final statement, signed by the soldier, and witnessed by a commissioned officer or by some other reputable person known to the finance officer. The person witnessing the transfer must indorse on the discharge the fact of transfer of the final statement, and on the final statement the fact that such indorsement has been made on the discharge.
- 9. Discharge by purchase.—The final statement of a soldier discharged by purchase will show the amount of purchase price and a full statement of active service rendered in each previous enlistment terminated by honorable discharge since last discharge by purchase, giving dates of each enlistment and discharge, and reasons for each discharge. A soldier discharged by purchase is not entitled to travel pay.
- 10. Deserters.—In the case where final statements are given an enlisted man who has not been paid since return from desertion, his account will be so stated by the commanding officer as to enable the finance officer to determine definitely the amounts due the soldier and the United States at date of desertion as distinguished from those accruing or incurred after return to military control, together with a correct transcript of the order publishing the action disposing of the charge of desertion.
- 11. Deceased soldiers.—In the case of a deceased soldier, final statement and duplicate inventories of effects will be prepared and forwarded as soon as practicable to The Adjutant General. Nothing will be entered on the final statement regarding the cause of death or whether death occurred in line of duty or on account of the soldier's own misconduct. In the case of a soldier who dies within the first six finnths of enlistment, the total money value of clothing drawn and chargeable against his clothing account since enlistment will be entered on the final statement under "Remarks," in addition to any remarks regarding clothing entered under "Due Soldier" or "Due the United States" on such statement.
- 12. Before delivering final statement upon which deposits are credited, the officer signing it will ascertain whether the soldier has the deposit book; and, if so, instruct him to present it to the finance officer. Should be claim to have lost it, the officer will cause his affidavit to that effect to be taken and attached to the statement before he leaves the post. The affidavit will clearly state the circumstances attending loss of the book and show that the soldier had not sold or assigned it. Upon this evidence the finance officer may pay, and the responsibility for the correctness of amounts credited on the statement will rest with the officer certifying it. Deposit books will be taken up by the finance officers who make final payment and filed with their vouchers. Deposits forfeited by desertion will not be entered in column headed "List of Deposits," but will be entered in the space for remarks with citation of the order announcing the disposition of the charge of desertion.
- 13. Absences,—When a soldier is held to service to make good time lost by unauthorized absences; absence from duty on account of injury or disease resulting from his own intemperate use of drugs or liquors or other misconduct; while in confinement awaiting trial or disposition of his case if the trial results in conviction; or, while in confinement under sentence, a statement should be entered on the final statement under the head of "Remarks" substantially as follows: "Held to service to make good time lost by A WOL from Oct. 1 to 10/15 and Nov. 5 to 12/15; sick not L/D, A R 35-1440 and A W 107 from Jan. 5 to 20/16, incl.; in confinement awaiting trial, convicted, AW 107, from Feb. 2 to 6/16; in confinement awaiting trial and serving sentence, AW 107, from Mar. 10 to 25/16." In the event that stoppages of pay for absence without leave or absence sick, not in line of duty under AR 35-1440 and AW 107, occurring prior to the date to which last paid, have not been made, and if any such absences have occurred since date to which last paid, these

INSTRUCTIONS-CONTINUED

facts and the periods of such absences should be also entered on the final statement under the heading "Due United States," in addition to their entry under "Rémarks."

- 14. Pay detained pursuant to sentence of court-martial will be detained by the Government until the soldier is discharged from active service or retired, at which time the total amount detained, if not forfeited, will be noted on the final statement in the space provided therefor, and paid to him out of Pay of the Army (or Pay of the Military Academy if soldier's pay is payable from that appropriation) for the fiscal year in which discharged or retired. (AR 35-2460.)
- -15. The final statement of an enlisted man who is entitled to allowance in lieu of quarters will show in the space provided therefor the inclusive dates for which such allowances are due, and the soldier will execute War Department Form No. 369, in so far as it pertains to this allowance, for file as a subvoucher to the final statement. The payment will be made on the final statement as, in this case, Form 369 is simply a supporting paper.
