CONTRACT FOR NAVAL AVIATION OFFICER CANDIDATE PROGRAM

I, Jesse Leroy Brown, in consideration of such benefits as may accrue to me by reason of my enrollment in the Naval Aviation Officer Candidate Program, and with the consent of my parent or legal guardian, do hereby agree to the following contract with the Secretary of the Navy, acting for and on behalf of the United States in accordance with the provisions of law.

FIRST, to enter upon and continue training in the Naval Aviation Officer Candidate Program, until the completion of such training as may be prescribed, and upon the completion of not less than two years of scholastic work, to accept an appointment as Midshipman, U.S.N., if offered, and to enter upon and continue flight training leading to my designation as a naval aviator.

SECOND, upon the satisfactory completion of two years of flight duty, including flight training, to accept a commission in the United States Navy or the United States Marine Corps, if offered, and having accepted such a commission, in the event of the termination thereof, I agree to accept such commission in the Organized Naval or Marine Corps Reserve that may be offered me, and I further agree not to resign from said Reserve prior to the sixth anniversary of the date of rank stated in my original commission in the United States Navy or the United States Marine Corps.

THIRD, to remain unmarried until commissioned.

I understand that should I not request retention in the regular service prior to June 1 of the calendar year following that in which commissioned, or should I not be selected for retention following such request, my commission will be terminated. I understand that upon the termination of said commission, I must accept an appointment to commissioned rank in the Naval or Marine Corps Reserve if offered, and I may then apply for and receive such benefits as are provided by law.

I further understand that the Secretary of the Navy may release me from my obligations under this contract and separate me from the training program at any time, that in his opinion, the best interest of the Naval Service requires such action.
