

AIRSTRIA

67

JAN

*** WARNING ***

The next two photos contain graphic images. In the first, Nguyen Cao Ky, RVN Air Force Chief and future RVN prime minister inspects the body of a dead NVA soldier after a battle at Ba Long in October 1965. In the second, ARVN troops collect the bodies of dead NVA after the same battle. The large perimeter trench is filled with sharpened punji stakes, which impale those who fall upon them.
