Attn: Commanding General

Dear Major General Bunting:

I wish to take this opportunity to express my appreciation to you and your staff for the recent assignment of the 308th Civil Affairs Group to the City of Beloit Fire Department.

The feedback I received from members of our department regarding the "Report Writing Course" was that it was the best presentation that we have ever had. Major Rescorla, Lieutenant Lambert and Master Sergeant Fife did their homework and were very well prepared.

The input and updating of our Emergency Medical Service-Paramedic Plan by Captain Brightman, Lieutenant Bird and Specialist Kennedy gave us the necessary documentation that is required by the State Board of Health. It was a task that we could not find time for.

Again, I wish to thank you for providing our City with the expertise of the "308th" Civil Affairs Group. The Beloit Fire Department profited from this project.

Sincerely,

H. V. Christiansen, Chief

1. I would like to take this opportunity to commend you and the personnel of your group for the exemplary manner in which they performed while attached to Task Force Refugee - Ft. McCoy during the period of 25-31 May 1980. Your soldiers worked long hard hours under very demanding conditions. Their "CAN DO" attitude, and professionalism coupled with their skilled mission performance and team spirit, were vital to the success of the Task Force and its humanitarian mission.
2. I would also like to commend your group for the efficient and timely manner in which they reacted on very short notice. Your soldiers made many sacrifices resulting in regrettable disruptions of family and loved ones to accomplish the mission. Their support and understanding contributed significantly to the accomplishment of the mission.
3. I again commend your unit and trust that you will publicly express my appreciation to the men and women who performed so admirably.

a. In general, key employees must be transferred to the Standby Reserve. d. For extreme personal hardship, documentary evidence that dependents would, by reason of your recall to active duty in an emergency, suffer extreme hardship. A notarized letter, listing dependents by name, date of birth, and relationship is required as documentation. Normally dependents will include:

Personal hardship requests based on sole ownership/operation of a business or farm require documentation in the form of a notarized letter describing the investment, size, and scope of the operation together with affidavits from at least two disinterested persons or agencies outside of the family relationship, having first-hand knowledge of the circumstances.

8. Physical defects listed MUST be supported by a doctor's statement or VA compensation examination and VA Form 21-6782.
