To Whom it May Concern:

I have been referred to you by Sheldon A. Goldberg, Historian
Research Division, AF History Support Service.

In World War II, from May 1944 until February 1945, I served as a
bombardier in Corsica with the 488th Bomb Squadron of the 340th
Bomb Group, flying 60 combat missions in completion of my tour of
duty. I was a first lieutenant when I finished, and my serial
number as an officer was 0759930.

I find myself deeply interested now in learning all of the
targets of those missions on which I flew and anything incidental
to those missions that may be on record.

If such information is on file and readily accessible, I would
like to have it.

I would be grateful to hear from you either way.

Thank you sincerely.
