I CERTIFY that I have carefully examined, agreeably to the Regulations of the Navy, the above-named recruit, and find that, in my opinion, he is free from all bodily defects and mental infirmity which would, in any way, disqualify him from performing the duties of his rating, and that he has stated to me that he has no disease concealed or likely to be inherited.

J. J. Engel (Signature) Examining Surgeon.

For and in consideration of the pay or wages due to the ratings which will from time to time be assigned me during the continuance of my service, I agree to and with Lieut. U. S. N. (Ret.) of the United States Navy, as follows:

First: To enter the service of the Navy of the United States and to report to such station or vessel of the Navy as I may be ordered to join, and to the utmost of my power and ability discharge my several services or duties and be in everything conformable and obedient to the several requirements and lawful commands of the officers who may be placed over me.

Second: I oblige and subject myself to serve 4 years from December 20, 1941, during minority until _____, 1941

unless sooner discharged by proper authority, and on the conditions provided by the act of Congress of March 3, 1875, as follows:

Sec. 1422. That it shall be the duty of the commanding officer of any fleet, squadron, or vessel acting singly, when on service, to send to an Atlantic or to a Pacific port of the United States as their enlistment may have occurred on either the Atlantic or Pacific Coast of the United States, in some public or other vessel, all petty officers and persons of inferior ratings desiring to go there at the expiration of their term of enlistment, or as soon thereafter as may be, unless, in his opinion, the detention of such persons for a longer period should be essential to the public interests, in which case he may detain them, or any of them until the vessel to which they belong shall return to such Atlantic or Pacific port. All persons enlisted without the limits of the United States may be discharged, on the expiration of their enlistment, either in a commanding or Pacific port and their regular discharge; and all persons so detained by such officer, or remaining to serve until the return to an Atlantic or Pacific port of the vessel to which they belong shall in no case be held in the service more than thirty days after their arrival in said port; and that all persons sent home, or detained in a foreign port or in a port of the United States, or who may be detained as above provided beyond the term of their enlistment; and that all persons sent home, or detained in a foreign port or in a port of the United States, or who may be detained as above provided beyond the term of their enlistment, shall receive for the time during which they are so detained or shall so serve beyond their original terms of enlistment, an addition of one-fourth of their former pay; Provided, That the shipping articles shall hereafter contain the substance of this section.

I also oblige myself, during such service, to comply with and be subject to such laws, regulations, and articles for the government of the Navy as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by naval authorities.

Third: I am of the legal age to enlist; I have never deserted from the United States Navy, Army, Marine Corps, or Coast Guard; I have never been discharged from the United States Service or other service on account of disability or through sentence of either civilian or military court; and I have never been discharged from any service, civil or military, except with good character and for the reasons given by me to the recruiting officer prior to enlistment. I am not a member of the Naval Reserve, Naval Militia, Marine Corps Reserve, National Guard, or Army Reserve.

Fourth: I have had this contract fully explained to me, I understand it, and certify that no promise of any kind has been made to me concerning assignment to duty, or promotion during my enlistment. I understand that if I become a candidate for the Naval Academy and fail to pass the entrance examinations, I will be returned to general service.

Oath of Allegiance: I, Richard Louis Proenneke do solemnly swear (or affirm) that I will bear true faith and allegiance to the United States of America, and that I will serve them honestly and faithfully against all their enemies whomsoever, and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to the rules and articles for the government of the Navy.

And I do further swear (or affirm) that all statements made by me as now given in this record are correct.
